GENERAL  
(date)

STAT

REGULATORY ISSUANCES

MODIFICATIONS

1. The transfer of the functions of the General Services Office to Logistics Office and the Office of the Comptroller effective 15 February 1954, requires some modification in the interpretation of Agency Regulatory Issuances published prior to that date.

STAT

2. Any Agency regulatory issuance published prior to 15 February 1954, which refers to or requires action by the General Services Office with respect to printing and reproduction, mail and courier service, or space acquisition, building maintenance, and utilities in the Metropolitan Area of Washington, D. C. shall be interpreted to refer to or require action by the Logistics Office.

3. Any Agency regulatory issuance published prior to 15 February 1954, which refers to or requires action by the General Services Office with respect to machine records or records management, including forms control, shall be interpreted to refer to or require action by the Office of the Comptroller.

FOR THE DIRECTOR OF CENTRAL INTELLIGENCE:

L. K. WHITE  
Acting Deputy Director  
(Administration)
